Founded In 1937 by 21-year-old Gerhard Schroth, the choir was originally known as the Walther League A Cappella Choir. It was a choir for Lutheran young people in their teens and twenties. It soon built a solid reputation and in the 1940's performed Brahms' A German Requiem with Dr. Frederick Stock and the Chicago Symphony Orchestra at Orchestra Hall, Chicago.

Over the years the choir has specialized in performing the finest sacred a cappella works of the great choral masters as well as modern composers. In addition the choir has sung major choral works such as Bach's St. John Passion and B Minor Mass, Mozart's Requiem Mass and Great Mass in C Minor, Haydn's Lord Nelson Mass and The Creation and Brahms' A German Requiem. The choir has sung in all of the major venues in Milwaukee as well as dozens of local churches. A variety of recordings and appearances on Milwaukee television and radio, as well as concert tours to Chicago, St. Louis, Fort Wayne, Madison and throughout Wisconsin, have helped build the choir's reputation as one of the foremost Christian choral groups in the nation.

This concert is part of the Capitol Drive Lutheran Church International Artist Series begun in 1956 which has featured concerts by E. Power Biggs, Virgil Fox, Jean Langlais, Frederick Swann, Paul Manz, and the Milwaukee Symphony Orchestra. Proceeds from the concert benefit the Lutheran A Cappella Choir.

Located on West Capitol Drive between 53rd and 54th streets and founded in 1932, Capitol Drive Lutheran Church is a group of thankful Christians who meet Christ as we receive the love of God when gathering around Word and Sacrament in Sunday worship. We also serve Christ by giving the love of God in support of one another and our neighbors in need. We live Christ as God continually forms and reforms us as the Body of Christ, a church that is inclusive, forgiving, affirming, and concerned for justice and peace.
